Leverage Knowledge in HTML5, CSS3, VUEJS 2.0, Postman, PHP, LARAVEL 8

Test software to ensure responsiveness and efficiency.

Troubleshoot, debug and upgrade software.

Write technical documentation.

- Maintained existing applications to ensure its availability for users.

Education

M.sc In Information Technology - 2015

National Open University Of Nigeria – Lagos, Nigeria

- P'hd Grade
- Information Technology

B.sc In Communication Technology - 2012

National Open University Of Nigeria – Lagos, Nigeria

- 2nd Class Upper
- Communication Technology

Technical Skill

- Web/Software Design
- Design Thinking

- Framework User
- Fullstack Coding
- Problem Solving
- Computer Literacy
- Strong Communicaitaion

Languages/Framework/Infrastructures

PHP, Java – in order of competence

Competence in JavaScript Framework like; Vuejs

Good Front End Skills in Html, Material Design, Material Bootstrap, Vuejs ,
Vuetify and CSS

Competence in the use of Mysql, Mongo DB, SQLite etc.

Good understanding of Design Patterns

Good use of inversion control (git)

Docker for Laravel Development, Deployment into Production

AWS for Deployment into Production

Experience with the Agile Methodology

Software Development Project Management

Referee
